Hike Spring Creek Nature Area Saturday, February 9. Meet at 9:00 AM.

Come on out for a hike through the Spring Creek Nature Area in Richardson.

This is an easy 4.5 mile paved trail through a dense natural hardwood forest along Spring Creek. There are many options for shorter hikes for anyone that would like to hike a little less distance. The route I usually do is about 3.5 miles. For a map of the trail go to: https://
